Your customer, whose name and current address appear below, wishes to procure an Ohio Certificate of Title. Below are the documents necessary to conform to Ohio law:

2. A copy of the lien contract with the lienholder's name and address in full, if there is a lien on the vehicle.
3. Two notarized power of attorney forms for the customer to sign for the leasing company on the title and on the registration.
4. If there is no lien, we will need a letter of authorization in order to release the title to the customer so that they may procure license plates and registration.
